

# TISTA *Cape*

## *Introduction:*

We appreciate the opportunity to introduce TISTA Science and Technology Corporation (TISTA). TISTA is a service-disabled veteran-owned small business (SDVOSB), a U.S. Small Business Administration's 8 (a), State of Maryland's DOT MBE/DBE, and State of Virginia's (DMBE), SWaM-certified company that focuses on delivering information technology (IT) and professional services to Federal and State agencies. With our Cleared Facility, GSA IT Schedule 70, GSA VETS GWAC, DISA NexGen, and U.S. Navy Seaport-e vehicle, we are committed to providing our clients with high-quality services. TISTA is a recipient of the "Top 500 Veteran Owned Businesses", and "Top 500 Emerging Businesses" awards from Diversity Business.

We offers expertise in securities and engineering support, network and critical infra-

structure protection, IT operations and maintenance, information assurance, enterprise security, continuity of operations plans (COOP), risk management, IT architecture, certification and accreditations (Department of Defense [DoD] and IC systems), intelligence operations support, software and database development, help desk, network support, and information technology security training services.

TISTA has been privileged to provide services to the following Federal and private agencies recently: U.S. Air Force (USAF); Defense Information Systems Agency (DISA); U.S. Department of Veterans Affairs (VA); U.S. Department of Commerce (DOC); National Institutes of Health (NIH); National Institute on Drug Abuse (NIDA); U.S. Department of Transportation (DOT); Alion Science and Technology; Pragmatics, Inc.; and Westover Consultants, Inc.

## *Company Overview:*

- Designated as a Service-Disabled Veteran-Owned Small Business (SDVOSB).
- SBA's 8(a) Program Participant Through 2016.
